

Introducing Cindy Shockey's Montgomery Collection by Simply Amish

THE MONTGOMERY COLLECTION

“

The Montgomery Collection evokes a casual, effortless vibe. Inspired by our surroundings; the mountains, the ocean, nature and my absolute love of board and batten. This collection adapts to your lifestyle and is right at home whether it's in the mountains of Colorado, the open range, or nestled next to the crisp blue ocean.

The Montgomery Bed strikes the perfect balance between casual and grand! Featuring our new Driftwood stain on soft maple.
