2020 NEW ARRIVALS

A LETTER FROM OUR PRESIDENT

Dear Valued Customers,

SUNPAN is delighted to present our collection of 2020 New Arrivals. This catalogue is a testament to our unwavering commitment to offering luxuriously designed pieces while displaying quality craftsmanship and competitive pricing, even as we navigate through a global pandemic. In response to buyer trends, we are pleased to announce new categories and collections including:

Domestic by SUNPAN A locally produced, earth-friendly collection of sofas and armchairs. Special order options are also available.

Westport A versatile collection of occasional pieces crafted with genuine leather and incredible solid wood frames.

Luxe Art A unique variety of contemporary, vintage-look and hand-embellished paintings and photography.

Expanding Categories Extensively expanding rug, lighting and outdoor categories will allow you to complete your design projects with SUNPAN.

We are also thrilled to reveal our newly expanded showroom at High Point Market. Not only have we doubled our footprint, but we are excited to announce that our doors will remain open throughout the year! We will also be hosting virtual showroom tours online following High Point Market if you are unable to attend this fall.

Along with the virtual tour, our website remains a key instrument to connect with us anywhere and anytime. Browse live inventory and stock information, filter through categories, and discover inspiration with every click. This year has been a demanding time for us all, but we are glad to have weathered this storm together with our loyal partners. As you browse our New Arrivals we hope that our products continue to inspire creativity to ultimately design liveable spaces of true distinction.

SUNDEEP BAGGA // SUNPAN President & CEO

NEWLY EXPANDED: HIGH POINT SHOWROOM

SHOWPLACE MAIN FLOOR // SHOWROOM 1200

Join us as we reveal our expanded 40,000 square foot showroom at High Point Market. As you explore our new showroom, you will have the opportunity to browse through interior inspiration and discover bold design.

Dedicated spaces for our expanding collections and categories will be highlighted throughout.

If you are unable to visit our showroom during Market, we are excited to announce that our expanded High Point showroom will also offer virtual tours and be open for visitors year-round, by appointment only. This means you won't have to wait until Market to see our newest arrivals in person.

*"With this expansion, we are excited to connect with our customers
on an emotional and inspirational level."*

–Sundeep Bagga, President & CEO
