HIGH POINT MARKET

22-26 April 2023
 High Point, NC
www.highpointmarket.org

The spring edition of the biannual High Point Market sees dozens of elite rug companies launching new collections and flaunting their freshest designs. Most can be located in the Market Square & Elm neighbourhood of the show ground (Antique & Design Center, Commerce & Design Building, Historic Market Square, Suites at Market Square and Market Square Tower) and on the Commerce Concourse (International Home Furnishings Center and Showplace). But be sure not to miss Tamarian, Feizy Rugs and French Accents Rugs and Tapestries who are showing elsewhere, as is Codarus, which will highlight rugs from its Annie Selke and Dash & Albert lines.

On the Commerce Concourse, HRI will showcase its Twilight, Antiquity and Wildlife collections while Kaleen champions its Sikri collection rugs which offer a shimmering, sun-washed look in a blend of cotton and wool. Also in the area are Momeni, Lolo Rugs—hosting a meet and greet with its licence partners on 22 April—and removable wallpaper brand Tempaper & Co., which is adding to its printed vinyl rug offerings by launching its first rug collection to feature flatweaves handwoven from jute and wool. Rug & Kilim has a presence here, as well as at Market Square & Elm, where it is in the good company of Art Resources, Safavieh, Creative Touch, Jaipur Living, Samad, Southwest Looms, Bokara Rug Company, Unique Looms and more.
